

# William Gutsell

## Senior Associate Architect

Mr. Gutsell's background includes a highly successful track record in project and design management, contract documentation, budgeting, staffing and management, new business development, presentations, and RFP's. Bill has served a diverse client base, primarily on public works or public school projects within the Office of Regulation Services jurisdiction. In the last 28 years, Bill has worked almost exclusively on projects in a Project Manager or Principal-in-Charge role.

Mr. Gutsell's extensive school projects experience includes both private and public schools in many communities around the Bay Area. Over the past 29 years, Bill's school projects have included about 100 Master plans, needs assessments, ADA assessments, new construction, relocatables and renovation and modernization projects; plus about 75 deferred maintenance projects such as district wide reroofing, HVAC replacement, gas line replacement, swimming pool solar, retaining walls, etc. Bill is a DSA approved project inspector for small projects which gives him a unique insight into the DSA process.
